

CCFM Founder's Scholarship Application Form

The Founder's Scholarship was established in 2023 to honor the first members of CCFM, the people who dreamt of what CCFM could be and did the hard work of laying the foundation of this organization. They want all who work for the Catholic Church to be able to benefit from our resources, especially at the conference, regardless of their ability to pay. This scholarship, in their honor, seeks to help those in need of financial assistance.
